## NEW ENGLAND ... LIFEWAY ... GUATEMALA

**From establishing an Adrian Rogers pastor training center in Nottingham, New Hampshire, to equipping Guatemalan leaders with Spanish leadership materials, the Pastor Training Institute is enjoying a busy Fall Season**

God has been stirring a dynamic vision in George Jackman and Red Densmore. With hearts burning to see the Great Commission fulfilled in New England, Pastors Jackman and Densmore have set out to plant churches in strategic cities throughout Massachusetts and New Hampshire. Presently, they have campuses in Nottingham and Rochester, New Hampshire – next on the list is Gloucester, Massachusetts.

While Pastor Jackman was praying over the city of Gloucester—burdened by the question of how to train leaders who may engage the culture of New England for the Gospel—he sensed the Lord speaking to him, reminding that he would not be able to complete the task on his own.

Soon thereafter, the Lord revealed His plan for the Pastor Training Institute to partner with these men at the “Transfer Zone” conference PTI hosted at Northside Baptist Church in Liverpool, NY.

It was then that Jackman recognized that in order to mobilize the leaders the Lord was preparing to impact his region, these pastors would need the same type of training curriculum used to equip pastors and church planters in third-world countries.

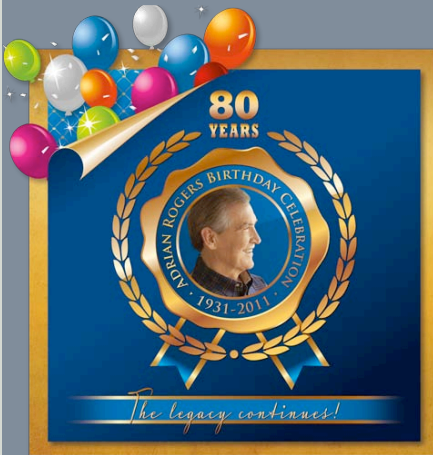

Countless pastors in New England eagerly await to step into all the Lord has in store for them. They know His Word, they have life-experience. However, many of these pastors are being called in mid-life with families and jobs, and are therefore unable to receive formal training through a seminary or Bible school. According to Pastor Jackman, “They need the Pastor Training Institute!”

To officially jumpstart this campaign and partnership, Steve Rogers is traveling to Nottingham in October to strategize with Baptist leaders in New Hampshire. What’s more, he will officially launch the New England branch of the Adrian Rogers Pastor Training Institute.

# 80TH BIRTHDAY

Faith Baptist Church

FBC Merritt Island

## Time to Celebrate. Join us!

The Pastor Training Institute is hosting a special 80th birthday celebration, at Faith Baptist Church in Memphis, TN Sept. 12. Can't come? Don't worry! Oct. 16 at 3pm the First Baptist Church in Merritt Island, FL will be full of music and memories celebrating the legacy of Adrian Rogers.

## Special presentation by LifeWay at Ridgecrest, North Carolina

The Pastor Training Institute and LifeWay Christian Resources have unveiled an exciting joint-venture to market, distribute, and sell the exclusive Adrian Rogers Legacy Collection.

In commemoration of the 80th birthday of the late Adrian Rogers, Dr. Thom Rainer—president of LifeWay Christian resources—presented Steve Rogers (president of the Adrian Rogers Pastor Training Institute) and Mrs. Joyce Rogers (wife of Dr. Adrian Rogers) with a special resolution honoring the Adrian Rogers legacy in Ridgecrest, NC.

The Adrian Rogers Legacy Collection contains every available sermon manuscript by Adrian Rogers, along with 100 copies of his original, marked up sermon notes, and fourteen audio sermons he preached to previous Southern Baptist Convention Pastor Conferences.

Steve Rogers states, "Our team has been editing the entire Adrian Rogers sermon library nonstop for the past

twenty-four months, getting ready for the launch of the Adrian Rogers Legacy Library, a state-of-the-art online website that will house Dr. Rogers' entire sermon output in print, audio, and video. Although the Legacy Library website is still being built, we are thrilled to offer all of the sermon manuscripts in the Library in this physical version. All of the sermons are housed on a USB flash drive shaped like a one-ounce bar of gold. It looks incredible, and everyone who has seen it has responded enthusiastically."

The Legacy Collection comes in an elegantly-appointed gift box along with a commemorative booklet, titled "A Global Legacy," chronicling the life and ministry of Dr. Adrian Rogers.

Dr. Johnny Hunt, senior pastor of Woodstock Baptist Church, is excited about the potential of the Legacy Collection to help equip the upcoming generation of pastors and Christian leaders. Dr. Hunt states, "Through the Adrian Rogers Legacy Collection, you will understand the Bible with greater clarity and be able to apply every major passage like never before."

# GOD'S WORK IN GUATEMALA

## Restoration Ministry Center

Located in Buena Vista, Guatemala, this ministry center is used as a retreat facility for pastors. PTI is supplying the center with Spanish curriculum to train local leaders.

## ¡BIENVENIDA! WELCOME, FROM GUATEMALA!

The Pastor Training Institute is working with a dynamic missions team, *His Appointed Time Ministries*, to equip local pastors in both a retreat center environment and through a small group training emphasis.

Charlie and Pat Reynolds (from Texas) answered the call to evangelize in Guatemala, which is often called the "Land of Eternal Spring." They see the fields as ripe for harvest. And, among their desires for the country, is the cultivating of Gospel-preaching leaders with hearts that burn to fulfill the Great Commission.

Because of the generous support of our partners, PTI provided workbooks and training DVDs to *His Appointed Time Ministries* below cost!

*His Appointed Time Ministries* (HATM) presently works with national pastors and leaders in Guatemala. Some of the materials PTI sent will be used at a retreat center the ministry uses to prepare and refresh pastors.

In other instances, HATM will be going into the villages and gathering about ten pastors at a time for smaller, group-based training sessions.

For more about this incredible team and their life-changing ministry to the people of Guatemala—along with Honduras and El Salvador, check out their website at: [www.hisappointedtime.com](http://www.hisappointedtime.com)
